

EXECUTIVE MBA PROGRAM

I chose Marshall's EMBA because I wanted to "level up" my skills as a CEO. I expected only tools to better manage my company, but I have gained far, far more. The faculty is available and always willing to advise, even on issues unrelated to class. My cohort has become my "school family" and I remain continuously impressed by their brilliance, engagement and willingness to support anyone in our class. The curriculum has been tailored to provide an exceptional learning process that builds upon itself to optimize learning and understanding of the materials. Over the last year, by implementing what I have learned, my company has grown 166% with plans to expand further and I feel fully prepared and excited to lead that growth. This program is transformational for any leader, in any field.

Cara Esposito, DPPD, JD, MPA, EMBA Class 2025

Adjunct Associate Professor, The Sol Price School at USC
Executive Director, The Leonetti O'Connell Family Foundation
Principal, Arete Rising, LLC

Marshall has truly been the perfect fit for me. The structure of the program has made it possible to juggle my practice, administrative duties, and business school commitments seamlessly. But what stands out the most about being a part of the Marshall community is the environment. Being surrounded by brilliant professors and thought-provoking, insightful classmates makes every day an enjoyable and deeply educational experience. I'm incredibly proud and grateful to be a part of the Marshall EMBA program.

Jason D. Toranto, MD FACS, EMBA Class 2025

Chair, Department of Surgery, Scripps Memorial Hospital La Jolla

Marshall's Executive MBA program has proven to be an investment of much greater value than I had anticipated. When I chose Marshall, I saw it as an opportunity to gain a competitive edge, but what I've experienced goes far beyond that. Through the immersive collaborative environment of the cohort, combined with the insights from faculty, my perspective on the business landscape has sharpened my ability to navigate business complexities with strategic foresight and C-level preparedness.

Tony Hunsoo Ahn, EMBA Class 2024

Chief Executive Officer, CJ Foodville USA, Inc., and Tous Les Jours International Corp.

OVERVIEW

The USC Marshall Hybrid Executive MBA program is designed for senior executives who wish to remain fully employed as they pursue their graduate studies.

Our 22-month program consists of weekly virtual classes, bi-weekly in-person sessions at USC's historic University Park Campus in Los Angeles, and an 8-day international intensive.

Saturdays (*bi-weekly, in-person*)

7:50am - 5:30pm

Tuesday evenings (*weekly, via Zoom*)

6:00pm - 8:00pm

TROJAN NETWORK

485,000+ USC alumni

100,000+ USC Marshall alumni

3,600+ USC Marshall EMBA alumni
