

MEET OUR EXPERTS IN RESIDENCE

Are you a founder? An aspiring entrepreneur? Interested in Venture Capital? Curious and want to learn? Schedule time with an expert in residence! Office hours with successful founders, investors, lawyers and operators.

Aparna Pande

Aparna is an accomplished CEO and strategic leader, with a proven track record in driving transformations across consumer products and digital media. She co-founded GOODONES and has previously led Disney's Consumer Products division to \$5B in retail revenue.

Nimish Shukla

Nimish is a finance expert and Co-Founder of Liferaft, a health insurance technology startup. He brings extensive experience in investment banking, startup leadership, and strategic fundraising.

Alexis M. Jeffries

Alexis is a strategic marketing leader with 15+ years of experience in advertising, communications, and digital marketing. She has held senior roles at Meta and Glassdoor and excels in client relationship management, revenue growth, and storytelling.

Dominique Aubry-Morgan

Dominique is a seasoned entrepreneur and Operating Partner at Matr Ventures, a deep tech-focused VC fund. With two decades of experience across government, non-profit, corporate, and social enterprises, Dominique has built multi-million dollar strategic partnerships, led high-impact projects, and supported startups in product development and launch strategies.

Jim McCarthy

Jim is a co-founder of Goldstar and Stellar Live, with extensive experience in creating and monetizing digital entertainment platforms. His strategic vision and crisis management expertise make him an invaluable resource for scaling digital businesses.

Paul Bricault

Paul is a Venture Partner at Greycroft Partners and the Founder & Managing Director of Amplify, a startup accelerator and entrepreneurial campus. His deep expertise in early-stage venture capital and executive leadership spans the entertainment and digital media sectors.

Simon Yu

Simon is a Venture Partner at Expert Dojo and an entrepreneur with extensive experience in launching public companies in the social media and cannabis industries.
